Bulk metered multi-residential premises can self-declare their eligibility for the Ontario Clean Energy Benefit (OCEB) if they qualify. Please return this completed form as soon as possible to register your account so that your total electricity charges related to electricity consumption qualify for the rebate. If you qualify, we will retroactively credit your account to January 1, 2011 or to the date you opened your account if it is after that date.

STEP 1 – Does your account qualify?

You qualify for OCEB if:

Your account relates to:

- a dwelling, a property within the meaning of the Condominium Act, 1998, a residential complex, within the meaning of the Residential Tenancies Act, 2006,
- a property that includes one or more housing units and that is owned or leased by a co-operative within the meaning of the Co-operative Corporations Act.

You can find these acts on the government's e-laws web site at www.e-laws.gov.on.ca.

STEP 2 – What would you like to declare?

- Regulated Price Plan & Ontario Clean Energy Benefit Ontario Clean Energy Benefit only

STEP 3 – Fill in this form:

If your account qualifies, please fill in the information below. If you have more than one qualified account, list each one separately. Please attach a separate page if more space is required. If there are units in your building or complex that are metered or billed separately from the account referenced, do not include them in the total number of units for this account.
