

# RETROFIT Program Quick Application Guide

## STAGE 1

APPLYING BEFORE  
COMMITTING TO WORK

- Get quote(s) from contractors
- Create a SaveOnEnergy account by following Step 2 under "Getting Started" at [colluspowerstream.ca/retrofit](http://colluspowerstream.ca/retrofit).
- Submit application/quote, or assign your contractor as an Applicant Representative to do it for you
- Wait for approval before continuing.

## STAGE 2

ORDER MATERIAL  
AND COMPLETE WORK

- Order material
- Complete the project
- Update the project online with completion details & documents, including proof of recycling
- Collus PowerStream will approve it

## STAGE 3

COMPLETE PAPERWORK  
AND GET PAID

- Invoice Collus PowerStream for the final amount of the incentive + HST
- Collus PowerStream pays incentive after receiving approval from the IESO
